Guangdong Chengzuoji Technology Co., Ltd. is dedicated to the design, development, and production of hardware products. The company primarily deals in logo plates, decorative pendants, buckles and hooks, die-cast hardware, perfume bottle caps, luggage hardware, and other products, and offers customization based on customer samples or drawings. With 15 years of in-depth development, we have accumulated extensive experience in hardware production and craftsmanship, and have taken the lead in obtaining ISO9001 international quality management system certification in the industry, ensuring stable and reliable product quality.

We consistently uphold the business philosophy of specialized production, customized services, and standardized management, forming an integrated industrial chain covering product design, mold development, precision die-casting, and surface finishing. We are continuously striving towards the goal of becoming a leading hardware supplier in the industry. Currently, we own a modern factory covering 6,000 square meters, equipped with advanced automated production equipment and precision testing instruments. Guangdong Chengzuoji Technology Co., Ltd. has a business network covering Mainland China, Southeast Asia, Europe, America, and other regions. We have established long-term, stable cooperative relationships with numerous well-known luggage and handbag brands at home and abroad, earning high trust and praise from customers, as well as a solid commercial reputation in the industry.
